

Terms of Use for Typing... Mobile Application

Effective Date: 2025-10-16

These Terms of Use ("Terms") govern your use of the Typing... mobile application ("Application") owned by Typing... LLC ("Company", "we", "our"). By using the Application, you acknowledge that you have read and agree to these Terms.

1. General Provisions

The Application is a mobile game available for iOS and Android devices. Use of the Application is permitted only in compliance with these Terms.

2. Age Restrictions

The Application is intended for users aged 17 and older. By using the Application, you confirm that you meet the required age.

3. Registration

To access certain features of the Application, the user must create an account using an email address or a Google (Gmail) account. The user must provide accurate and truthful information.

4. In-App Purchases

The Application may offer paid features, items, or subscriptions purchased with real money through the App Store or Google Play. All payments are processed by the respective app stores. The Company is not responsible for payment processing errors, refunds, or technical issues arising from purchases.

5. User Responsibilities

The user agrees to:

- not use the Application for illegal purposes;
- not hack, modify, or interfere with the Application;
- not use methods that compromise the security or stability of the Application.

6. Company Rights

The Company reserves the right to:

- update, modify, or discontinue the Application at any time;
- restrict access for users violating these Terms.

7. Intellectual Property

All elements of the Application, including design, text, graphics, code, and game mechanics, are the property of Typing... LLC and are protected under copyright law.

8. Limitation of Liability

The Application is provided "as is." The Company does not guarantee uninterrupted operation, absence of errors, or that the Application will meet user expectations.

9. Termination

The user may stop using the Application at any time. The Company may restrict access if the user violates the Terms.
